

# Indiana's Oldest County Fair

To Whom It May Concern,

The 2022 LaPorte County Fair is approaching quickly, and we want to make this year's fair even better than the last. We need your help to do this! We are excited to be welcoming Country Music stars, Walker Hayes on Tuesday night and Parker McCollum on Wednesday night. We are bringing in Silly Safaris and our barns participate in the Curious Kids Trail for the kids. Did you know that your fair has one of the largest Pioneer Land areas in the State and that it includes a Blacksmith Shop, Artisan Barn, Quilting Cabin Milking house and much more? And don't forget about 4-H! Our kids work hard all summer to present various exhibits and animals for show. We have other surprises in the works that will be announced between now and the Fair.

We are not stopping at the 2022 Fair. We are working with LaPorte County on future plans, which include new animal barns, new restroom facilities, additional camping sites and a coliseum with indoor arena. Other improvements include new fencing, better lighting, more walking paths, and landscaping throughout the grounds.

I mentioned that we need your help. Enclosed, please find a sponsorship brochure. We ask that you consider sponsoring the Fair. The fair is visited by over 80,000 people! The fair has over 20,000 Facebook followers and actively advertises on social media, radio and print.

Thank you for your consideration,

The LaPorte County Agricultural Association
